RESPONSE UNDER 37 C.F.R. § 1.111  
U.S. Application No. 10/729,915

The Date of Invention Precedes the Priority Date of Bellegarda

Applicants submit that the 35 U.S.C. 102 reference, Bellegarda, which is also the first cited reference in the 35 U.S.C. 103 rejections, is disqualified as a valid reference for either anticipation or obviousness because the date of reduction to practice of the invention actually predates Bellegarda.

Applicants are enclosing a Declaration pursuant to 37 C.F.R. 1.131 that establishes the date of the invention that is the subject matter of the current Application, to at least January 3, 2003. This date is prior to the date of filing of Bellegarda on August 21, 2003.

Accordingly, Bellegarda may not be properly used as a reference against the claims of the current Application. Applicants request withdrawal of both anticipation and obviousness rejections of the claims based on Bellegarda and allowance of claims 1, 4-8, 10-16, 18, 20-23, and 25-29.

**III. Conclusion**

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited.
